Maryville, Missouri

MARCH 26, 1965

## Student Senate Campaign Rules

- for President of Student Senate, Vice-President of Student Senate, Union Board Chairman, and Senatorial Election
- Campaigning begins at 8:00 a.m., Thursday, Apr. 8 and ends at 4:00 p.m., Friday, Apr. 9.
  - Outdoor signs:
    - One outdoor sign to be placed in front of Colden Hall not to exceed 90 sq. ft.
    - One outdoor sign to be placed in front of the Ad. Building not to exceed 90 sq. ft.
  - Indoor signs:
    - One indoor sign for each of the presidential, vice-presidential, and Union Board chairman candidates to be placed in the front entrance of Colden Hall. These signs are not to exceed 3 x 4 feet and must have an 8 x 10 picture of the candidate on them. These signs will be arranged by office in alphabetical order.
    - Two indoor signs for each class for the senatorial election—one will be placed in the front entrance of the Ad. Building, and one will be placed in the hall between the old and new den. Each class sign will have a 3 x 5 picture of each candidate for that class arranged in alphabetical order. These pictures must be turned into Dean Koerble's office by 4:00 p.m. on the day of the nominating convention.
  - No lapel cards or any other written or printed material bearing the name or qualifications of the candidate may be distributed.
  - A campaign managers meeting for the campaign managers of the presidential, vice-presidential, and Union Board chairman candidates will be held on Friday, Apr. 2, at 4:00 p.m. in the Student Lounge of Colden Hall. Failure to attend this meeting will result in a disqualification of the candidate from the election.
  - No handing out of food.
  - Loud speaker systems may be operated only when classes are not in session during the days of the campaign.
  - Any procedure which leads to disruption of classes, or undue littering of the campus will be declared illegal.
  - No campaigning in the upper portion of the J. W. Jones Building or in the Men's and Women's dorms, except by word of mouth.
  - A Senate meeting will be held at 4:00 p.m. on April 9 to review any discrepancies. The votes will be counted immediately preceding the meeting.
  - A \$150.00 budget limit has been set. An itemized list must be turned in to Dean Koerble's office by 12:00 noon on the day of the election.

## New Job Opportunities Available Under Work-Study Program

Participation in the Work-Study Program of the Economic Opportunity Act of 1964 has opened up approximately 120 jobs for MSC students. To date only 20-30 of these positions have been filled.

Bill Needels, Director of Student Loans, explained that students who are full-time students (12 hours or more) and are in need of financial assistance to continue their education are eligible for work under this program. Total hours of work range from 15 (maximum) per week while classes are in session to 40 per week any time classes are not in session.

A variety of jobs exist, from unskilled to the highly skilled, and include off-campus as well as on-campus employment. The kinds of work done range from maintenance workers and cafeteria workers to laboratory assistants and projectionists. Wages range from 65 cents to \$1.00 per hour.

This program will be coordinated with other programs of student financial aid at Northwest Missouri State College. For applications and other details contact Bill Needels in the office of Student Financial Aids, Administration Building.

He experiments with plants. Mr. Williams Treese checks the effects of his lighting system on plant growth. The MSC instructor is conducting a series of experiments in the college greenhouse.

## Debate Team Receives Top Ratings at Tourney

According to Mr. Jerry Winsor and Mr. George Hinshaw, the debate team was very successful at Wm. Jewell last weekend. Ron Walter and Mike Hutson tied for the highest rating in junior debate after winning four and losing one. Keith Augustine was selected as top oral interpreter and read before the entire conference at the banquet Friday evening. Marjorie Hitchcock received an excellent rating in oral interpretation.

The next speech trip will be the national tournament at Tacoma, Wash., April 8-18. Mr. Winsor and Mr. Hinshaw will take Galen Buckey and Charla Albertson to represent MSC.

### Student Senate Candidates

Candidates for Student Senate offices are as follows:

Jerry Taylor and Leo Papas, president; Nancy Rotts and Travis Booth, vice-president; and Darwin Bears, union board chairman.

## To Sponsor Annual Bibliophile Contest

Kappa Delta Pi, a national honor society in education, is sponsoring a bibliophile contest, which will run from April 5-22.

Kappa Delta Pi encourages any interested student to submit books from his own personal collection. A display of these books will be set up in the cases on the first floor of Colden Hall. There is a ten book minimum set for these collections. Rule sheets may be picked up in Dr. John Harr's office at any time.

The books must be turned in to room 109 of Colden Hall by 4 p.m. April 6. Prizes will be given after the judging. Students should contact any member of Kappa Delta Pi if they have additional questions.

### Contributions For Literary Issue

Prose and poetry to be submitted for the Northwest Missourian literary issue to be published Friday, April 30, must be given to Dr. Frank Grube or Mr. Homer Morris no later than 4 p.m. Thursday, Apr. 8. All contributions must be written while registered at MSC.

Poetry is to be given to Dr. Grube; and prose, 750 word limit, is to be given to Mr. Morris.

One's name, class, and home town are to be given at the bottom of each entry.

## Basie to Blast Off For MSC April 3

"One of the most explosive forces in jazz," the Count Basie Orchestra will come to the MSC campus April 3 for the Spring Formal sponsored by the Union Board.

Count Basie

Basie's group is world renowned. The Count first started his band back in 1935. At that time, Basie had a ten-piece band, which was then unknown. In January, 1937, the music makers cut their initial recordings.

### Basie Gains Stardom

Except for a period in 1950-51, Basie has led a big band continuously for two and a half decades, gaining a global reputation. In 1954, when the band made its first tour of Europe, and in 1955, when the Count completed his 20th year as a leader, the band featured many stars. Basie was heard on the organ, an instrument whose rudiments he had picked up long years before.

The Basie orchestra won the Down Beat Critics' Poll in 1954 and the Down Beat Readers Poll in 1955. In 1956 they won the readers' poll of Frances Le Jazz Hot magazine and both "Greatest Ever" and "New Star" categories in the Musicians' Poll of Leonard Feather's 1956 Encyclopedia Yearbook of Jazz. Basie himself won Metronome Poll on the piano, in 1942 and 1943.

### Interview Schedule

The following interviews have been scheduled through the placement office:

March 26, Internal Revenue;

March 29, Forum Cafeteria;

March 30, Hickman Mills;

April 5, Los Angeles, California; and

April 6, Upjohn.

For further information concerning these interview possibilities, contact Mrs. Esther Sellers at the Placement office.

## Ugly Man Contest Mar. 31-Apr. 2! Proceeds to Student Loan Fund

The annual Ugly Man Contest and Carnival sponsored by APO service fraternity will be held Mar. 31 - Apr. 2. Designed to provide money for the Student Loan Fund, the carnival proceeds will be matched 9 to 1 by the U. S. government.

The carnival will be held Friday night, Apr. 2, from 7-11. The winner of the variety show and the winners in the individual divisions will be announced after the variety show competition that evening.

Ugly man faculty and student candidates and their sponsoring organizations are as follows: Phi Lambs, Charles Fry and Travers Booth; Phi Mu, Dr. John Harr; AKL, Everett Brown; Tri Sig, Jim Redd; DZ, Dr. Donald Smith; Alphas, Dr. Frank Grube; Gamma Sigma Sigma, Ernie Talarico; Phi Sig, Roger Schlegel; Sig Tau, Dean Charles Koerble and Don Robbins; SNEA, Dr. George Gayler; Hudson Hall, Jerald Brekke; KDLX Radio, Robert Baker; and Men's Residence Halls, Bruce Wake and Bob Nordstrum.

**Are You Positive of That?**

Once again the ever present question concerning college students' rights of choice of attending classes has been brought into focus.

Or perhaps the question is whether students have the right not to attend classes as they choose. In a letter to the editor which appeared in the March 12 edition of this newspaper, Dr. Charles H. Thate, Dean of Administration, expressed the facts pertaining to this question. In the following edition, March 19, reporter John Coldiron exposed his personal view of the problem, stating, "The ideas of a college official acting as a parent away from home, telling one when and when not to attend classes, is contradictory to the attitude of adulthood placed upon students." Mr. Coldiron's argument actually centers around whether a student has the right not to attend class when he so chooses. The fact that a student does have the right to attend classes is evident and is not an issue.

Has the real question, however, not been avoided or misinterpreted? Dr. Thate simply sets the facts before us. He does not say "We must attend classes regularly." Rather, a series of statements of what is, not of what should be, could be, or may be is the purpose of the Dean's letter. Dr. Thate's letter serves its purpose quite adequately.

College students over the nation annually come up with some worthy "cause," but as in this instance, reality is grossly confused with theory. When an instructor says he allows three cuts per semester, then the responsibility of the individual is to cut not more than three times.

Moreover, if an instructor relates that he expects no "cuts" whatsoever, then the responsibility of the student changes; he is expected to attend every class (period).

In essence, that is what Dr. Thate means. The letter did not have the implications of a "college official . . . telling one when and when not to attend classes . . ." as expressed in Mr. Coldiron's letter.

Also, Mr. Coldiron's assumption that each college student pays his own educational expenses is invalid. Ask any state taxpayer, especially one who does not even have an offspring in college. "Do you pay taxes for state supported schools?"

Wonder what their answer would be? Any suggestions?

—Marvin Bell, Co-editor

**Bear Beat**

John Coldiron

Last week a series of music contests and ratings were held at MSC. During those days the students on campus were at a disadvantage in the Bearcat Den and other places on campus. Classes in some courses were not held because of these visitors, but I'm sure that this was not an inconvenience to the students.

During this time the conduct and attitude of the college students was very commendable. The high school students were treated with the courtesy extended to all visitors.

Now it seems that this campus will again serve as a meeting point for the younger set. A large group of Boy Scouts will be housed in the Men's Dormitories causing crowded conditions in many of the halls. And again we will be expected, and justly so, to treat this group with the same courtesy given to those groups that have just left.

The reason for this type of behavior is clear enough. Our actions toward visitors do not stay on campus. They go home with each person who has been here and are remembered when it comes time for he, or she, to pick a college. These actions help form a public impression and opinion of our school.

The idea of helping our college maintain a good public image may sound a little trite. But stop and think for a moment. If a student comes from a college that people have a bad opinion of, then those same people may have that same opinion of the student.

Students' actions were very commendable. I hope we will be just as deserving of praise each time another visitor or group of visitors leaves this campus.

**Carol Sobalvarro Tells About Guatemalan Education**

Miss Carol Sobalvarro originally of Guatemala, is now attending college at MSC. She is a senior majoring in Spanish and minoring in psychology. Upon graduation, Miss Sobalvarro plans to teach Spanish.

Miss Sobalvarro attended school in Guatemala through her sophomore year of high school. She explains that the system of education in Guatemala is much different from that in America. Grade school is attended by almost all residents of Guatemala. Only a small per cent of these students then go on to high school and college. As a result, the grade school education is quite extensive. Students must study science, math, physics, geography, and other subjects.

Those who continue into high school do not have a choice of subjects; those courses which were offered in grade school are studied more extensively. Upon graduation from high school, the student holds a degree equivalent to a junior college degree in America.

Immediately upon entering college, the student begins work in his major field. If he decides to change his course of study, he must begin again as a freshman. If he fails one course during the year, he must repeat the entire year.

## Dr. Farquhar Joins Science Staff

Dr. Ed Farquhar, currently in his first year of teaching at MSC, came here from Emporia, Kansas, where he taught for two years at Kansas State Teachers College. He received his B. S. degree from MSC in 1958 and his Ph. D. in physical chemistry from Iowa State in

1962.

Dr. Farquhar serves on the advisory board for the statewide science curriculum revision committee. He is a member of the American Chemical Society, National Education Association, Missouri State Teachers Association, Phi Lambda Epsilon national honorary chemistry fraternity, and Tau Kappa Epsilon fraternity.

Dr. Farquhar says that he likes his work here very much and is optimistic about the growth of the college in general and of the chemistry department in particular.

### Mike Thompson, Blue Key President

At its monthly dinner meeting last Sunday, Blue Key installed the following officers:

Mike Thompson, president; Larry Kibey, vice president; Leo Papas, secretary-treasurer; and Bob Dickey, corre-

sponding secretary.

President R. P. Foster was the guest speaker. Mrs. Frank Grube was selected Blue Key Sweetheart for 1965.

### Delta Zeta Initiates Eight Girls

Recently the Delta Zeta Social Sorority attended the Christian Church as a group and then ate dinner together in the union. Eight girls were formally initiated into the Delta Zeta sorority recently. They were Kathy McGinnis, Anne Huston,

Cindy Miller, Chris Beal, Beverly Sillik, Jeanne Nelson, Phyllis Anderson, and Sharon Whitehead. Following Activation the sorority mothers treated their daughters to dinner at Armstrong's. At the dinner Pledge trainer, Pat Gilley, announced Kathy McGinnis received the best pledge scholarship award.

## MSC Indoor Track Team Looks Better

Northwest State College showed up the best it has in recent years but could not slow powerful Kirksville State who crushed all opposition in gaining its seventh straight MIAA Conference track win Saturday at Columbia.

The Bulldogs, with 16 returning lettermen, hold or share in 10 of the 12 event records. They rolled up 69 2-3 points in the conference meet, almost doubling any other team's output. Warrensburg placed second with 38 2-3 points, Springfield got third with 34½ and Maryville grabbed the fourth place finish, edging out Cape Girardeau, 18½ to 18. Rolla struggled into last place with eight points.

The Bearcats, coached by Earl Baker, placed in seven of the 12 events. Dave Phillips, who has been outstanding in leading Maryville so far this season, turned in another fine performance, winning the 60-yard low hurdles, placing second in the 60-yard high hurdles and tying for fourth in the broad jump. With his win in the 60-yard lows, he equalled the conference mark of :07.

Peter Hager also placed well for Baker's 'Cats, getting a fourth in the 60-yard dash and a third in the 440-yard dash. Larry Brandt got a fifth in the shotput with a toss of 45 feet, 9¾ inches. The Maryville mile relay team won fifth in the final event, finishing ahead of Cape to provide the extra few points.

MSC will open its 1965 outdoor track season at 2:30 p.m. Apr. 5 against Peru on the Bearcat oval. Maryville has defeated the Bobcats once this year, indoors, 58-33.

### PARKING NOTICE

According to Dean Charles Koerble, beginning Monday, Mar. 29, parking lot No. 2 is to be designated as a visitor and staff parking lot only at all times.

The frequent social and academic events which are held in the Horace Mann building during the week and on weekends are interfered with by the number of student cars parked in the area, even though many students have been assigned to other lots. An adequate visitor parking area has been needed for some time, and the location of lot 2 appears to be the best location for parents and other visitors to the campus.

Students are encouraged to keep their cars out of lot 2 at all times since the enforcement agents will be instructed to ticket student cars parked there anytime.

### Looking for a Job?

The summer employment directory of the United States summer jobs for 1965 is now available in the placement office for the use of all students. The directory contains precise and up-to-date information concerning summer employment. It is compiled from the replies received from questionnaires sent to thousands of prospective employers of summer help.

Jobs listed in the catalogue include work at summer camps, resorts, hotels, restaurants, ranches, motels, national parks, and businesses. The book does not guarantee employment but will assist in locating available jobs.

For more information concerning salaries and specific employment, contact the field service office and refer to the placement office.

## Interested in Studying Abroad? See Miss Bell, Spanish Teacher

Thinking of going to Spain this summer? If so, stop in and visit with Miss Rebecca Bell, a new member of the foreign language department since last fall.

Miss Bell, a graduate of Kansas University, Lawrence, has attended many colleges and universities obtaining her education and has spent a considerable amount of time in Spain. Among the schools she has attended are Smith College, Northampton, Massachusetts; University of Colorado, at Boulder; New York University; Middlebury College, Vermont; University of Madrid, in Spain; and MSC. "I really did not flunk out of any of these; I just enjoy travel," stated Miss Bell.

During her junior year at K. U. Miss Bell applied for the New York University junior year abroad study program. As a result, she spent 7 months in Spain attending the Middlebury College. She then returned to K. U. and completed her work for a B. A. in Spanish. After graduation Miss Bell returned to Spain in order to learn more about the country.

After spending one year in Spain, she came back to the U. S. to attend preliminary graduate work at Middlebury College in Vermont, before attending graduate school in Spain. At the end of 2 months, Miss Bell returned to Spain and completed graduate study. In the fall of 1964, she returned to MSC and temporarily replaced Miss Mary Jackson in the foreign language department instructing Spanish. She now has classes of her own.

Miss Bell states, "I think that study, travel, and work abroad can be beneficial to students, and I recommend any students who have the opportunity should take advantage of it. It is becoming less expensive to study abroad, and the schools are offering more programs. It is the best way to learn a language."

Miss Bell welcomes any language or government students who are interested in programs studying abroad to visit her. She claims to have quite a collection of information concerning this program.

Dr. John Harr, social science department, urges all organizations to get their representatives lined up to be on the Homecoming committee for 1965. Representatives are asked to have in mind several suggestions for the over-all theme for next fall.

### Residence Hall Notice

Those students living in approved housing or commuting who wish to secure a room in the men's residence halls next fall should report to the housing office to place their names on the waiting list. By doing this, one will have an opportunity to obtain a room before new students make their applications.
